	Agenda Items	Action
1.	Charley welcomed all to the meeting.	
2.	The Minutes of the meeting held on 1 July were accepted.	
3.	The RNP stand at the Shakesbeer festival was a great success although there were not that many people from Redgrave at the event. Reactions from residents of Redgrave were all positive. There was also an offer of help which was gratefully accepted. A useful contact was made with a man who arranges the installation of electric car charging points - details will be passed on to the pub. It was decided that we need a big event on the Knoll, possibly in September. We also need to advertise RNP at the Shop and the Pub. Stephen Eason will be asked to mention the filling-in of questionnaires at the Pub AGM on 27 July - John to contact Stephen. There may be an opportunity for RNP to promote itself before, during or after the meeting.	John
4.	Delivery rounds covering every house in the village have been drawn up. Janet and Shirley will count out the questionnaires once they arrive and deliver them to those delivering. Kate has printed a leaflet to go with each questionnaire mentioning the name and contact number of the person delivering and when they will be collecting the completed questionnaires, thereby making it more personal. It is hoped to get a very high response rate. It is expected that many villagers will respond online.	Shirley Janet
5.	Suzie Phillips, of Llanover, spoke to several members of the steering group after the Parish Council meeting on 3 July. She showed plans of a possible development and gave her assurance that she would like to work with RNP.	
6.	Any Other Business One of our next challenges will be the Call For Sites. We will need Andrea's input for this.	
	A meeting will be arranged for 12 th September for the larger group. It is hoped that Andrea will be able to come to this - Charley to contact Andrea	Charley
