People will be asked for their views and given the chance to give their opinions and choices using coloured dots and post-it notes.</p> <p>There will also be boards about community action projects and how we are addressing these. Andrea will be available to answer any awkward questions.</p> <p>We will need to take as many photos as possible.</p> <p>There will be a sheet to be filled in as people enter the exhibition to establish demographics and to find out how the villagers found out about the exhibition – and any other useful information.</p> <p>Shirley volunteered to put posters up advertising the exhibition around the village.</p> <p>Janet will send an email to the larger group (using the list from OneDrive) asking for help with all aspects including the kitchen and handing out dots and other information.</p> <p>Andrea will ask Paul Bryant for a large scale map for the exhibits plus anything else he has that would be useful and attendees will be asked to mark their favourite views and landscapes.</p>	Jon All Shirley Janet Andrea

4.	<p>A lengthy discussion took place about the Vision and Objectives. It was agreed that the Vision should be:</p> <p>Our vision for Redgrave is that by 2036 Redgrave will have continued to be a small beautiful village that has developed sustainably. It will develop in proportion to its rural character; rich in green spaces surrounded by a diverse rural environment with a better balance of housing that meets the needs of its villagers.</p> <p>Andrea has produced a comprehensive sheet outlining the objectives and policies. At the exhibitions villagers will be asked to comment on the objectives and policies.</p>	Chris
5.	<p>We need to get feedback from businesses and invite them to the exhibition. John and Chris volunteered to visit Gressingham Foods to find out what they would like from the village and how they can contribute to the project. Shirley and Janet will visit the businesses at the Starwings site. Jon will make contact with any small businesses and home workers to get their views.</p> <p>Shirley will contact Suffolk Wildlife Trust to tell them about the proposed events and to find out their environment policies and discuss the development of access.</p> <p>We need to protect the business base of the village and ensure the relationship between businesses and residents is in harmony.</p>	John/Chris Shirley/Janet Jon Shirley
