| 1. | All were welcomed to the meeting.  |                  |
| 2. | The Minutes of the meeting held on 13 May were accepted. All items have been completed and there were no matters arising.  |                  |
| 3. | Environment Sections – Andrea has worked on these sections but has asked Jon to look at Chapter 2 and Chapter 8 to give his professional view. Andrea also asked Jon for help with the wildlife section – he will send an email to Andrea with his suggestions.  | Jon              |
| 4. | Comments from MSDC – Paul Bryant has sent a response but comments from the County Council have still not been received. Andrea will chase them. After lengthy discussions it was decided that sites 4 and 5 are probably not suitable for development due to previous refusals, access and heritage issues. MSDC indicated that all phases of site 3 would be unacceptable but there may be scope for a reduced area towards the north and west of phase 1. Andrea will contact Llanover re the land off Churchway, specifically the north and west side. She will remind them that evidence collected so far indicates that the preference of the village is for bungalows and low cost housing. It is important that any development does not affect listed buildings and that the majority of the open space is retained. | Andrea<br>Andrea |
